

## MLK Bridge Replacement Project

### Traffic Detours beginning August 1, 2018 at the intersection of MLK Jr Drive and Forsyth Street

Refer to the picture on the preceding page

1. The entrance to "The Gulch" (middle of the picture) at the intersection of MLK Jr Drive and Forsyth Street will be closed beginning Wednesday, August 1, 2018.
2. The west bound ramp (right side of picture) leading to the upper level of MLK Jr Drive will be closed beginning Wednesday, August 1, 2018.
3. The pedestrian bridge (left side of picture) will also be closed beginning Wednesday, August 1, 2018.
4. All parking lots in "The Gulch" will remain open. The primary access point for these lots will be from Alabama Street.
5. Once this project is complete, the entrance to "The Gulch" will be two way. The one way west bound ramp to upper MLK will be two lanes rather than one. There will still be a pedestrian ramp leading to upper MLK. The anticipated completion date is November 30, 2018.

Please allow extra time for travel to the Richard Russell Federal Building during this time.

Thank You.

M. Regina Thomas
